

Choice Auctions

Choice Auctions

Whether you are moving across the country, selling your home, business or automobile, settling an estate or recovering delinquent storage unit rent, *Choice Auctions* can assist.

Let us be your guide to auctions

Advantages of *Choice Auctions*

We work with real estate agents, private individuals, financial institutions, attorneys, government agencies, and corporations to expedite sales by auction. Our marketing department creates a customized program consisting of multi-media advertising, brochures, direct mail, promotion, target marketing and personal contacts. Advantages of *Choice Auctions* include timely sales, partial or complete pick-up, no contingencies, sold as-is, where-is, customized advertising programs and clean outs.

Choice Auctions Your Full-Service Auction Company

Nothing is too large or small for us to efficiently liquidate. Professional turn-key service that saves time and gives peace of mind.

Choice Auctions takes care of everything from beginning to end. We evaluate assets and professionally manage the entire process; we work on your timeline to provide specialized, efficient service.

Our organization works with sellers and buyers to enrich the overall auction experience addressing any and all questions or ideas with respect and integrity.

ESTATE

Estate Sales * Clean Outs

We understand the anguish and burden a family endures while going through this difficult time. With different packages or bundles of services available, we make it a personalized experience for each family by handling these delicate issues with the utmost empathy and sincerity.

PERSONAL PROPERTY

Antiques * Collectibles * Tools * Glassware * Jewelry

We provide families with a knowledgeable team of professionals to evaluate and appraise items in order to determine the best sale process to assure the greatest means.

LIQUIDATION

Business * Household

We make the auction process easier, faster, and more efficient while bringing the highest return on your merchandise, by providing the prospective buyers with complete information therefore inspiring confidence in their purchasing decision.

SPECIALTY

Charity * Storage * Livestock

Our auctioneers and staff have specialty backgrounds to cover each individual need. They are knowledgeable, experienced, and friendly professionals; leaders within the field of auctions. Their skill and proficiency will overcome unexpected challenges in planning your auction event.

MOTOR VEHICLES

Cars * Trucks * Boats * RVs * Construction Equipment * Farm Equipment

Our auctions are open to the general public and dealers which increases the ability to sell your vehicle or equipment. We provide accurate detailed data and records, thus operating with transparency and integrity in every aspect of our business. Our services also include private sales.

REAL ESTATE

Residential * Commercial * Farms * Vacant Land

Indicated in recent studies, auctioning is one of the fastest growing methods to sell real estate. Auctions generally bring a higher price than traditional real estate transactions by bringing buyers and sellers together on a designated day, creating a sense of urgency and excitement to the buyer. All realtor's commission applies and will be taken out of net.

Our knowledgeable and trustworthy auctioneers have the expertise to guide you through the entire auction process.
